

Apply Now: Make an Impact in Our Warsaw Office

Contribute. Collaborate. Succeed.

Start paving your way to career success with the Goldman Sachs Warsaw Insight Day. This one-day event will introduce first-year university students to a unique opportunity to interact with our professionals and receive tips and best practices for navigating the recruiting process. You will develop your strengths, build confidence and gain exposure to the many career opportunities across the Operations, Technology, Strats and Finance Divisions within the Goldman Sachs Warsaw office.

To register: Please visit our events portal at gs.com/careers/events and search under "Warsaw" events to register for consideration. Please complete 100% of your candidate profile for full consideration.

Deadline for Registration: **Sunday, 7 May 2017** (early registration is recommended!)

At Goldman Sachs

-  You will be a part of a growing, dynamic office located in the Warsaw Spire building
-  We offer you best-in-class training programmes and mentoring at every stage of your career
-  Our professionals have the opportunity to work with some of the world's most interesting challenges and influential leaders
-  We have a team-driven culture which leverages and rewards individual talent
-  We value diversity and welcome your unique perspectives and ideas
-  We provide highly competitive compensation and benefits offerings as part of the total reward of working at the firm
-  Our people are committed to making a difference in the communities where we work and live
