

15<sup>th</sup> Conference on  
Computer Science  
and Information Systems

FedCSIS **2020**  
6-9 September  
Sofia, Bulgaria

Advances in Information  
Systems and Technologies

# 1-sth Conference on Advances in Information Systems and Information Technologies (AIST'20)

## Chairs

Ewa Ziemba, University of Economics in Katowice, Poland

Alberto Cano, Virginia Commonwealth University, Richmond, United States

Jarosław Watróbski, University of Szczecin, Poland

## Aim

AIST constitutes a global forum for researchers and practitioners to present and discuss the recent research on information systems and technologies for business, governments, and society.

AIST invites papers covering the most recent innovations, current trends, professional experiences and new challenges in the several perspectives of information systems and technologies, i.e. design, implementation, stabilization, continuous improvement, and transformation. It seeks new works from researchers and practitioners in business intelligence, big data, data mining, machine learning, cloud computing, mobile applications, social networks, internet of thing, sustainable technologies and systems, blockchain, etc.

## Topics

- Advanced information systems and technologies for business**
- Advanced information systems and technologies for governments**
- Advanced information systems and technologies for education**
- Advanced information systems and technologies for healthcare**
- Advanced information systems and technologies for smart cities**
- Advanced information systems and technologies for sustainable development**

## Dates

**Paper submission (sharp / no extension):** May 15, 2020

**Author notification:** June 30, 2020

**Final paper submission and registration:** July 15, 2020

**Conference date:** September 6-9, 2020

Conference proceedings will be submitted for indexation in: Thomson Reuters and Scopus  
Extended versions of selected papers presented during the AIST'20 conference will be published in Lecture Notes in Business Information Processing series (LNBP, Springer)
